

2018 Parent FAFSA Refusal Form

You may type your information directly onto this form, print to sign, then submit it to the Office of Student Financial Aid. To avoid processing delays, do not submit this form until you have gathered all required documents/forms requested from you.

Federal regulations give schools the authority to allow a student to borrow a Federal Direct Unsubsidized Loan when the student's parent(s) have ended all financial support and have refused to complete and sign a Free Application for Federal Student Aid (FAFSA). Students who request consideration for the loan should read the information on this form and have one parent complete and sign this form. Note that this form does not allow a student to apply for financial aid as an independent student. Students must understand that they are requesting only an unsubsidized loan subject to this for dependent students. No other federal or state financial aid will be available.

Although the Office of Student Financial Aid may waive the requirement for parent income and asset information on the FAFSA, the student must describe your relationship with your parents. The letter must be on appropriate letterhead.

Section 2. Parent Information

I attest to the following:

I have stopped providing financial support to the student (including payment of educational costs) as well as all other cash and non-cash support to the student such as room and/or board).

Date support ended:

I will not provide financial support to the student in the future.

I refuse to complete the parental section of a Free Application for Federal Student Aid (FAFSA).
